*Free*

**Puppetry and Physics Workshops for Teenagers 11-16yrs**

With Smoking Apples Theatre Company

In association with their new show *Flux*

---

**At: The Kirkgate Centre, Cockermouth, CA13 9PJ**

Saturday 2 March,

10am-12pm, 1-3pm and 4-6pm

Come and join award winning theatre company Smoking Apples for an interactive physics workshop, created and delivered in association with the Institute of Physics.

Participants will be able to explore key physics concepts, such as nuclear fission, in a fun and creative way, using drama and puppetry skills as tools to unlock this. Participants will also use visual objects and a specially adapted piece of light up set from the show, participants will be able to visually explore Physics theories, interactively.

This will be accompanied with a discussion on the role of women in science and the positive career pathways that can be explored in Physics.

The workshops are free to attend but booking is essential, please email hattie@smokingappleshtheatre.com to book, spaces are limited!

Smoking Apples will also be bringing *Flux* to The Kirkgate Centre on June 22nd.
